We, SKB Europe B.V. declare that our products comply with the requirements of directive:

Persistent Organic Pollutants (EU2019/1021 + 2022/2291)

According to information to our knowledge, our suppliers do not use, in the manufacture of the components that they supply us, persistent organic pollutants as mentioned in the above directive.

SKB Europe BV is aware of these regulations and will continuously and closely follow the developments in this field

We systematically require compliance certificates from our suppliers. As SKB Europe b.v is downstream user of raw materials, we do have the obligation to register according to the existing regulation.

SKB Europe will remain active to guarantee the safety and health of man and environment.
